Our Services

Verve Superannuation Pty Ltd is the Founder and Sub-Promoter of Verve Super, a sub-plan of the Future Superannuation Fund (ABN 45 960 194 277).

Our role is to promote Verve Super, assist in providing services to Verve Super members, and assist the trustee of Verve Super in ensuring that Verve Super remains true to label.

We are authorised by True Oak Investments Ltd to provide the following financial services:

- Provide general financial product advice to retail and wholesale clients in relation to superannuation and life insurance products; and
- Deal in a financial product, by applying for, acquiring, varying or disposing of a financial product on behalf of another person, in relation to superannuation and life insurance products, for retail and wholesale clients.

Generally, when we provide financial services, we act on our own behalf. However, we may act on behalf of others when we deal in a financial product (for example, we may act on behalf of the Issuer (the Trustee) when arranging for a client to acquire an interest in Verve Super).

General Product Advice Only

Any advice we provide to retail clients will be **general product advice only**. This means that we will not take into account your personal financial objectives, situation or needs in relation to any advice that we provide. Accordingly, a Statement of Advice will not be provided, but before you make a decision about Verve Super, we will either send to you directly, or make available to you on our website, the following documents which contain important and detailed information about Verve Super: Product Disclosure Statement (PDS), Additional Information Booklet, Insurance Guide, and Privacy Policy.

We will not give personal advice in our regular updates or marketing material. We will not give personal advice when you visit our website, visit our social media platforms, receive emails, see us at events, or contact our Member Services Team.

It's important to do your own research and consider things like fees, investment performance, insurance cover, your risk profile, and Verve Super's alignment with your values when considering if Verve Super is appropriate for you. Consider getting in touch with a professional adviser if you need some help determining if Verve Super lines up with your financial needs.
